Dear Parents / Guardians

Our warmest greetings to you from YTSS!

2 Our YTzens have been participating actively in a number of different activities that our school have planned to develop the students holistically. Apart from being engaged in their academic studies, YTzens have also been actively involved in their CCAs, various competitions and other co-curricular activities.

3 We would like to provide you with some information on forthcoming programmes and events.

(III) End of Year Post-Exam Activities

We will be organising activities for our YTzens after their examinations. YTzens will be provided with authentic/meaningful learning experiences to support their development as well as opportunities to strengthen bonds with their classmates. Please see **Annex A** for the schedule for the post-exam activities. Please help to ensure your child's participation in the post-exam activities.

4 YTSS takes pride in providing a nurturing and holistic learning experience for your child and we look forward to working with you to achieve this. Thank you for your support.

Yours faithfully
